

National Summer Transportation Institute

A WV Division of Highways & WVSU CASTEM Summer Camp

Open to All WV Upcoming 7th-9th Graders

Play games to learn about logistics and supply chain, build a bridge and compete for strength and durability, build and code robots, make impervious pavement, design and test a recovery system! We will also go on field trips to the New River Gorge Bridge and a Materials Science Lab, and participate in career talks with professionals in the industry.
